

Welcome to Leesburg Open Arms!

We recognize that searching for the best place for your child to learn and grow can be a difficult process and that you may have many questions along the way. After many years of educating children and serving the needs of families in our community, we understand the critical role early childhood education plays in the development of every child. Our goal is to exceed your expectations in helping your child grow and thrive academically, socially, emotionally, physically and spiritually.

Parents are encouraged to visit us and communicate with our teachers and staff as often as possible. We provide newsletters and video access of our classrooms. Our entire team is committed to creating a Christ-centered environment and supportive community. You can look forward to enjoying fun family events and unique opportunities to grow as families together.

With this letter you will find our enrollment forms, a current fee schedule and other relevant information needed to begin the enrollment process. You will also find appreciative words from many of our happy Leesburg Open Arms families.

Due to the high interest in our programs, additional information is also readily available on our website at www.leesburgopenarms.org . If you have any questions about our forms or general questions about the program, please do not hesitate to contact us.

We are excited about the opportunity to serve you as partners in creating a strong foundation for your child to develop a lifelong love of learning. We look forward to hearing from you.

Blessings,

Heather Menser
